

6<sup>th</sup> Indian College of Pathologist Oration  
Dedicated to

DR. C. MOHAN RANGAM

Delivered by

Dr. S.K.Sood

Late Dr.C.Mohan Rangam did his MBBS and MD from Madras Medical College  
Chennai

Joined as Demonstrator and then reader in the same college

He worked as Lt colonel specialist grade in Indian Army to Medical Corps

He went abroad for advanced training and research work to Manchester and Leeds

He came to Indore in 1950 and joined MGM Medical College Indore as Head, Dept. of Pathology

Under his able guidance all the subspecialties of Pathology including Autopsy and experimental Pathology were developed and postgraduate course was started

His favourite subject was histopathology. He was an excellent teacher and was very popular among student.

He was like a father figure for the development of Pathology, histopathology and Haematology in Indore

Academic and administrative excellence was part of his personality

He had command over several languages like English, Hindi, Urdu , Tamil and Telugu and had keen interest in various sports

This oration is dedicated to a pathologist *par excellence* and a dedicated teacher
